

H = Height, W = Width, D = Depth

Inlet contact CEE w/PlugIn

DEFA AS is conforming to the requirements of both ISO 9001-2008, ISO 14001:2004 and OHSAS 18001:2007. In addition to this, our engine heaters and cables are conforming to the requirements of ISO/TS 16949:2002.

Item number

701150

Delivered in single packaging.

Installation

Equipment damage and possible injuries may result from an incomplete understanding of the installation and operation of the charger.

If you are unfamiliar with electrical systems: consult us, a dealer or a licensed electrician.

Read the mounting and user guide carefully.

Maintenance

Must be kept dry. Clean cable and cover with soap and freshwater, dry and spray contact pins with lubricant suitable for cleaning and lubrication of electric material before and after the season.
