

Philips EcoVision
Automotive headlight lamp

H4

12 V 60/55 W

12342ECO

Energy saver

EcoVision consumes less energy than a standard car lamp while giving you twice the lifetime and more light. EcoVision lamps reduce your car's fuel consumption and CO₂ emissions, which means you save fuel and money while helping the planet

Save energy

- Up to 20% energy saving
- 10% more light

Save money

- Reduces your car's fuel consumption
- Twice the lifetime

Save the planet

- Reduce your car's CO₂ emission

Specifications

Technical specifications

- Voltage: 12 V
- Wattage: 60/55 W
- Base: P43t-38
- Application: High beam, Low beam
- Homologation: ECE compliant (street legal)

Packaging Data

- Packaging type: Blister, Special pack

Green Specifications

- Heavy metals: Cd free, Hg free, Pb free

12342ECO

Highlights

Up to 20% energy saving

EcoVision lamps consume less energy than standard lamps.

Reduces fuel consumption

Over their lifetime, just one pair of EcoVision lamps can save you on fuel, which means you can drive longer for the same fuel expenditure

Less CO₂ emission

Over their lifetime, one pair of EcoVision lamps will reduce your car's CO₂ emissions. If everyone switched to EcoVision, this would save millions of tonnes of CO₂.

Issue date 2009-07-20
